

UNCLE SAM DEAF WHEN ORDERED TO OBEY CITY LAW

No Attention Paid to Notices
to Remove Street En-
cumbrances.

"Uncle Sam's encumbrances are not
saved. They are subject to the same
regulations as the postmark of the
busiest peddler or the newsmen of
the widows and orphans."

While in the latest utterance of
Borough President Marcus M. Marks
in his controversy with the United
States Post-Office Department over
the removal of the big mail receiving
platform in Day street at the McAdoo
Terminal Building.

MOTHER! THE CHILD IS COSTIVE, BILIOUS

If tongue is coated, breath
bad, stomach sour, don't
hesitate!

Give "California Syrup of Figs" at
once—a teaspoonful today often saves
a sick child tomorrow.
If your little one is out-of-sorts, half-
sick, isn't resting, eating and acting
naturally—look, Mother! see if tongue
is coated. This is a sure sign that it's
little stomach, liver and bowels are
clogged with waste. When cross, irri-
table, feverish, stomach sour, breath bad
or has stomach-ache, diarrhoea, sore
throat, full of cold, give a teaspoonful
of "California Syrup of Figs," and in a
few hours all the constipated poison,
undigested food and sour bile gently
moves out of its little bowels without
grinding and you have a well, playful
child again.

Mothers can rest easy after giving
this harmless "fruit laxative," because
it never fails to cleanse the little one's
liver and bowels and sweeten the
stomach and they dearly love its pleasant
taste. Full directions for babies, children
of all ages and for grown-ups printed on
each bottle.

Beware of counterfeit fig syrups. Ask
your druggist for a 50-cent bottle of
"California Syrup of Figs," then see
that it is made by the "California Fig
Syrup Company." Don't be fooled!

President wrote to Washington tell-
ing Postmaster-General Burleson that
the Government had to obey the law
here as strictly as any other corpora-
tion. Now the Government has taken
about a month for a report from its
inspectors and the platform still re-
mains. Those who know the deter-
mined Borough President are wonder-
ing if he is going to be beaten in his
fight. Mr. Marks says he isn't, and
has written another hot letter to
Washington asking why the inspec-
tors have not yet reported, and if they
have reported, why the Government
has not made known its attitude to
his office.

In a letter to Postmaster-General
A. S. Burleson, dated April 16, the
Borough President wrote: "In acknowl-
edgment of your letter of April 16,
with reference to the mailing plat-
form on Day street, which en-
croaches upon the sidewalk space of
that much used thoroughfare, the
query immediately arises in my
mind, why should not the Federal
Government, even in its service of the
community at large, comply with the
rules and regulations laid down by
the municipality as do private citi-
zens who do business in the vicinity
of any post-office."

"With particular reference to the
leading platform on the ground floor of
No. 227 Third avenue spread to the two
adjacent buildings, Nos. 225 and 229,
have received many complaints from
persons who are obliged every day to
make use of the street pavement,
instead of being allowed the privilege
of using the sidewalk in front of the
post-office sub-station as they can do
throughout the full remainder of the
street."

"In fact the speed with which the
mail trucks are operated makes it
dangerous for any person to use that
part of the street for pedestrian pur-
poses. Your plea that the removal
of the platform would reduce the
inconvenience is considered without foun-
dation, because it is believed that
every member of society should ar-
range his business upon private
property."

The Borough President asked for
"immediate action."

The Government officials have not
made a report to the city since. It
promised to put inspectors to work
immediately to make known the in-
structions. Borough President Marks
has not heard from Washington even
unofficially.

THIS JOY RIDE SHORT.

Auto Washer Run "Borrowed"
Machine Into Lamp Post.

Joseph Dunn of No. 369 Ninth avenue,
John Nolan and Edward May of No. 676
Tenth avenue and Ernest Grassatti of
No. 241 West Sixty-eighth street were
arrested to-day on a charge of grand
larceny after an automobile they were
using was wrecked against a lamp post
at Sixty-third street and West End
avenue.

Grassatti, who in a washer employed
in the Sales Room at No. 241 West Sixty-eighth street, admitted
that he had taken the car from the
place without permission. There was
a fine joy ride started up, when the
machine was wrecked and everybody
in it arrested.

STEAMER HITS ICEBERG; ESCAPES DAMAGE

LONDON, May 15.—The steamer
Royal Edward of the Canadian
Northern Steamship Company, col-
lided with an iceberg 110 miles to
the east of Cape Race, while on her
voyage from Montreal to Avonmouth.
The captain, in a wireless message
to the owners to-day, described the
iceberg as a very large one, and said
that the steamer struck it end on
while going dead slow in a dense fog.
The Royal Edward's stem was
twisted by the blow and she was
making a little water in the fore-
peak. The captain declared the dam-
age not to be serious and that it
would be only necessary to dock her
on her arrival in England. A later
message says the Royal Edward is
making no water, but that she has
been brought to a stop in the fog.
Neither of the messages was dated.

200 DOWN FIRE ESCAPES.

One Overcome and a Fireman In-
jured at Lodging House Blaze.

Fire early to-day in the restaurant
of George Vallas on the ground floor of
No. 227 Third avenue spread to the two
adjacent buildings, Nos. 225 and 229.

occupied by the Star Cafe, Old Home
Lodging House and the Third Avenue
Beef Company, doing a slight damage
to the latter.

On the third floor of the lodging house
Peter Vasilas, a lodger, was overcome
by smoke and carried out by firemen.
Two hundred other men made their way
to the street by the fire escapes.
Fireman Timothy Sullivan of Truck
No. 17 was struck on the head by a
falling beam and taken to Harlem Hospi-
tal with contusions and fracture of
two ribs. The fire loss is estimated at
\$2,500.

FRECKLES

Don't Hide Them With a Veil;
Remove Them With the
Othine Prescription.

This prescription for the removal of
freckles was written by a prominent
physician and is usually so successful
in removing freckles and giving a clear,
beautiful complexion that it is sold
by any druggist under guarantee to
refund the money if it fails.

Don't hide your freckles under a
veil; get an ounce of othine and remove
them. Even the first few applications
would show a wonderful improvement
some of the lighter freckles vanishing
entirely.

Be sure to ask the druggist for the
double strength othine; it is this that
is sold on the money-back guarantee.
